

A Students Guide to accessing DayMap from home.

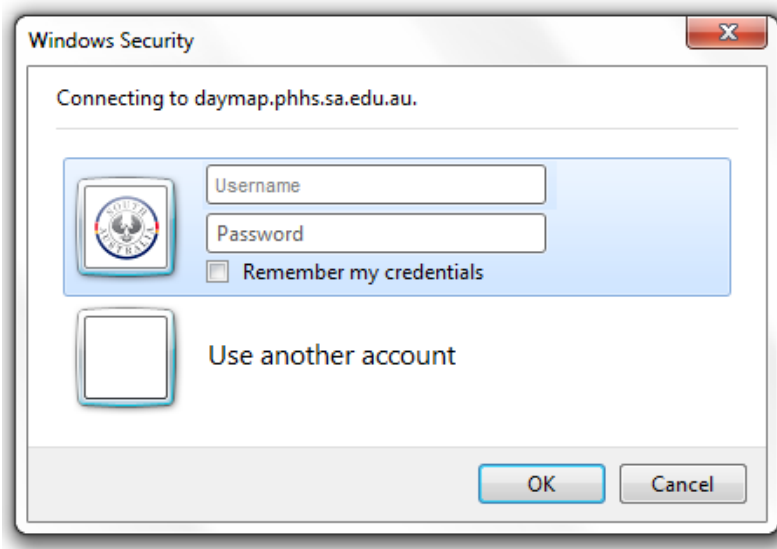

The easiest way to access DayMap from home is to go to the schools website at www.phhs.sa.edu.au and click on the **<Login Access>** button on the top right hand side

Then click on **<Student Login>** link on the page

Enter your user name (e.g. S2000014) and password (The same ones you use to log on to the school network)

You should now be able to see your lessons, the instructions left by the teacher, and the bulletin for general in DayMap

A screenshot of the Daymap web application interface. At the top, there is a navigation menu with links: Daymap, Communications, Find, Calendars, Timetable, Tools, Course Hub, and Help. Below the menu is a header area with "Day Plan" and the date "11/06/2015". The main content area shows a "Week 7, *Term 2" view for "Thursday, 11 June 2015, Timetable Day 4". The schedule is organized into periods: PERIOD 1 MUSIC, PERIOD 2 MUSIC, PERIOD 3 PHYSICAL EDUCATION, PERIOD 4 INFORMATION TECHNOLOGY, LUNCH 1, LUNCH 2, PERIOD 5 MATH, PERIOD 6 MATH, and AFTER SCHOOL. Each period has associated class notes or homework instructions. A "Bulletins" section at the bottom lists various notices, including "Year 10: Science and Engineering Cha", "Lunchtime Gym Usage Term 2", "Upcoming SPORTING CARNIVALS", and "Teachers supervising students for Private Study outside of the library". A tooltip is visible over the "Teachers supervising students for Private Study outside of the library" link, providing instructions for marking off students.
